

Painted Furniture Care Card

TIMELESS FURNITURE RESTO BY LISA

www.tfrlisa.com

- Your newly finished furniture needs to cure for 21-28 days. Please treat it with great care during this period
- Avoid excess handling
- Clean with mild soap and water
- Do not use any abrasive products or tools
- To obtain best results when removing unwanted stains, use a slightly damp chamois cloth

- Avoid all contact with furniture polishes, sprays, and excessive water
- Use coasters/placemats on table tops
- A moderate climate is best - avoid extreme heat or air conditioning, as well as excessive moisture or dryness

*If treated properly, your
Painted Furniture will give you
enjoyment for many years to
come!*
